

ABHI Florida Trade Mission 2024 – Recommended flights & hotels

Orlando, Tampa & Miami – Tuesday 11th – Tuesday 18th June

FIME Expo – Wednesday 19th - Friday 21st June

Companies do not have to book the same hotels/flights, but the recommended hotels are the pickup and drop off point each day, so we suggest staying nearby if not. We're aware that the hotels in Florida are more expensive than previous visits, we are working with an agent to secure some discounted rates but in the meantime I would recommend booking hotels on a fully refundable basis.

Delegates are responsible for booking their own transport between Tampa & Miami. You don't have to book the same flight as ABHI, but the programme will finish between 5-6pm in Tampa on Friday 14th and will start again in Miami with an optional group meal on Sunday 16th around 6pm and official meetings from 8am on Monday 17th. The group meal is optional but please make sure your travel arrangements mean you don't have to leave meetings early on the Friday or late on the Monday.

This trade mission is different to usual as there is the option to stay on for the Florida International Medical Expo (FIME) in Miami after ABHI's trade mission. FIME is the premier meeting place for medical health technologies and professionals across the Americas. The event draws some 13,000 visitors to Miami every year to network with global manufacturers and take in the latest innovations

ABHI won't be running a trade mission programme during FIME (19th – 21st), but we will be running the UK pavilion and arranging networking activity around the show for US Accelerator members and Exhibitors. Registration for FIME is free of charge for visitors but there is a cost for exhibiting.

If you would like to hear more about the show or exhibit in the ABHI pavilion at FIME please contact Omar Jowhar, International Events Manager at omar.jowhar@abhi.org.uk or you can use this [link](#) to book a time in his calendar for a call.
