15.30 – 18.00	<p>University of Maryland, Baltimore, University of Maryland Medical System & Networking Drinks Location: Invent/Advance Room, 1st floor, 801 West Baltimore Street.</p>

University of Maryland

Founded in 1807, the University of Maryland, Baltimore is a thriving biomedical research institution in downtown Baltimore with professional schools of medicine, dentistry, nursing, pharmacy, law, social work and a multi-disciplinary graduate school. Nearly 1,200 faculty received \$663 million in extramural funding in the last fiscal year, more than \$3.3 billion in the last five years, in areas including cancer, genomics, vaccines, neuroscience, vascular biology, HIV/AIDS, and regenerative medicine.

University of Maryland Medical System

University of Maryland Medical System is a private, university-based regional health system focused on serving the health care needs of Maryland. As one of the largest private employers in the state, the health system's more than 29,000 employees and 4,600 affiliated providers offer primary and specialty care at 11 hospitals, in more than 150 locations and through a network of UM Urgent Care locations.

UMMS' flagship academic campus, the University of Maryland Medical Center in Baltimore, is recognized regionally and nationally for excellence in specialized care.

Their acute care and specialty hospitals in 13 counties across the state serve urban, suburban and rural communities.

They have:

12 Hospitals

2,458 Licensed Beds

*27,413 Employees **

5,500 Active Medical Staff Members

In 2022 they had:

100,985 Hospital Admissions

1,230,086 Outpatient Visits

329,547 Emergency Visits

68,520 Outpatient Surgical Cases

\$4.86 Billion Annual Revenue

Agenda:

Welcome,

- *Jane Shaab, UM BioPark Executive Director, Associate Vice President, Economic Development*

Introductions

Background overview:

- *University of Maryland, Baltimore*
- *University of Maryland Medical System*
- *University of Maryland BioPark*

Company Presentations

- *ABHI Corporate Executives (5 min each)*

Overview of Programs and Initiatives for Collaboration and Business Development

- *University of Maryland Medical System*
- *University of Maryland School of Medicine*
- *University of Maryland Institute for Health Computing*
- *University of Maryland School of Nursing*

Shared discussion

One-on-One Conversations (30 min.)

Attendees:

- *Jane Shaab, UM BioPark Executive Director, Associate Vice President, Economic Development*
- *Martha Junazak: VP Business Development, Office of the Dean of Maryland.*
- *Dr. Jason Rose, Associate Dean for Innovation and Physician Science Development, University of Maryland School of Medicine*
- *Jon Burns, Senior Vice President and System Chief Administrative Officer, University of Maryland Medical System*

Agenda: Presentation followed by Q&A and networking
09.30 – 11.00	Destination Medical Center + Mayo Clinic Platform <i>Location: Medical Alley 4150 Olson Memorial Highway Golden Valley, MN</i> Mayo Clinic - Website Mayo Clinic is the largest integrated, not-for-profit medical group practice in the world. They have more top rankings for high-quality patient care than any other health care organization. Mayo Clinic has more No. 1 rankings than any other hospital according to U.S. News & World Report. Destination Medical Center - Website With Mayo Clinic at its heart, Destination Medical Center (DMC) is the largest public-private economic initiative in Minnesota and the catalyst for growth in Rochester. In 2013, state officials determined there was a compelling interest to authorize public investments in Rochester to help support Mayo Clinic in Rochester as a global medical destination center. These leaders worked together to develop DMC and create in statute the financing tools and public governance structure necessary to carry out the global destination vision. With more than \$5 billion in projected private investments over the next 20 years, DMC will provide the public financing necessary to build the public infrastructure and other projects needed to support the vision. Agenda: Overview presentation followed by Q&A and networking

	<p>Attendees:</p> <ul style="list-style-type: none"> - <i>Kylle Jordan, Business Development Manager, Destination Medical Center (DMC)</i> - <i>Jamie Sundsbak, Sr Manager, Accelerate, Mayo Clinic</i>
