

ABHI

ABHI US ACCELERATOR

With strong relationships across hospital systems and life science communities throughout the US, as well as a dedicated mentors network on-hand to offer guidance and insight, the ABHI US Accelerator is the ideal platform for companies looking to upscale their US business. The programme offers a regular webinar learning series hosted by special guests and dedicated trade missions to key regions. 2025 will see visits to:

Texas | March

New Jersey & Pennsylvania | April

Florida | June

Maryland & Washington DC | September

California & Arizona | November

If you are a HealthTech company looking to accelerate your US market entry, contact sophie.green@abhi.org.uk
